

# 22-23 IA Transportation Info

-  All Innovation stops are located at a high school within the high school's district your student resides
-  Students are not permitted to go to a high school which may be closer to their residence. They must ride the bus from their 'Home school'
-  All students need to be at their high school stop five minutes prior to the bus departure time. The bus will not wait on your student.
-  Students will not be permitted to ride a bus from their residence to the home school.
-  All Innovation buses will have a home school placard on their bus for easy identification
